About Us

Jaami'ah Muhammadiyah Islamic Academy is an Ahle Sunnah Wal Jamah institution, offering a range of unique and flexible, online and blended learning courses, which enable the student to practically apply the knowledge taught in their daily lives. Our courses include the Diploma in Islamic Studies, Part Time, Full Time Alim & Alima courses.

Although we cover all the Islamic subjects comprehensively our main speciality is in Da'wah and Tazkiyah (Purification of Soul and Da'wah). We believe that as well as Ta'leem (knowledge), there should also be a strong emphasis on the practical teachings of Islam (Tarbiyah). Knowledge (Ilm) alone will not suffice until the correct application of this ilm is not put into practice.

”

Hazrat Amir Mu'awiyah (May Allah be pleased with him) reported: The Messenger of Allah ﷺ said, "When Allah wishes good for someone, He bestows upon him the understanding of Deen."

Our aim is to teach the inner and outer dimensions of these subjects to help you in your journey towards the pleasure of Allah and at the same time to make your learning experience as beneficial and straight forward as possible.

The ultimate purpose of life is to please Allah the Majestic, however, without knowledge of these subjects a person will not know how to please his Lord. The consequences of this could be catastrophic in the hereafter if he is not forgiven by Allah the Exalted.

Our Courses

We currently offer a range of courses at different levels to suit learners of all ages. Whether you are seeking to refresh your existing knowledge or whether you are looking to embark on a structured course en route to becoming a qualified Alim or Alimah, we will certainly have a course to suit your needs.

Diploma Courses

This is most suited for those looking to gain a solid foundation of the essential and compulsory knowledge of Deen and is an ideal pre requisite for the Full Time Alim or Alimiyah Course. This is typically taught 6 hours per week either over a weekend or one evening and a weekend.

Alim and Alimah Courses

This is taught over for 15 Hours per week over 5 days and is typically taught in the evenings, however, those with commitments can study during the day. This course typically lasts 3 Years full time or 6 years part time.

Workshops

We have a range of workshops which deal with contemporary topics such as:

Positive Thinking

In addition to the above thirstbuilders, we also provide short seminars which aim to educate and provide a taste for those seeking to embark on the more long term courses.

That the Messenger of Allah ﷺ said: “Whoever takes a path upon which to obtain knowledge, Allah makes the path to Paradise easy for him.” Tirmidhi

Alim / Alimiyah

Our unique Alim/Alimah courses differ from other institutions as we focus on the much specialised subjects of Tazkiyah and Dawah. The purpose of all knowledge is to purify oneself and then to help others in reaching this true objective of helping to convey the prophetic message to humanity.

Course and Examinations

The academic year is split into two semesters which are assessed by ongoing coursework and examinations of the topics covered in that particular term. Those who successfully pass the examinations will progress on to the next year of their studies.

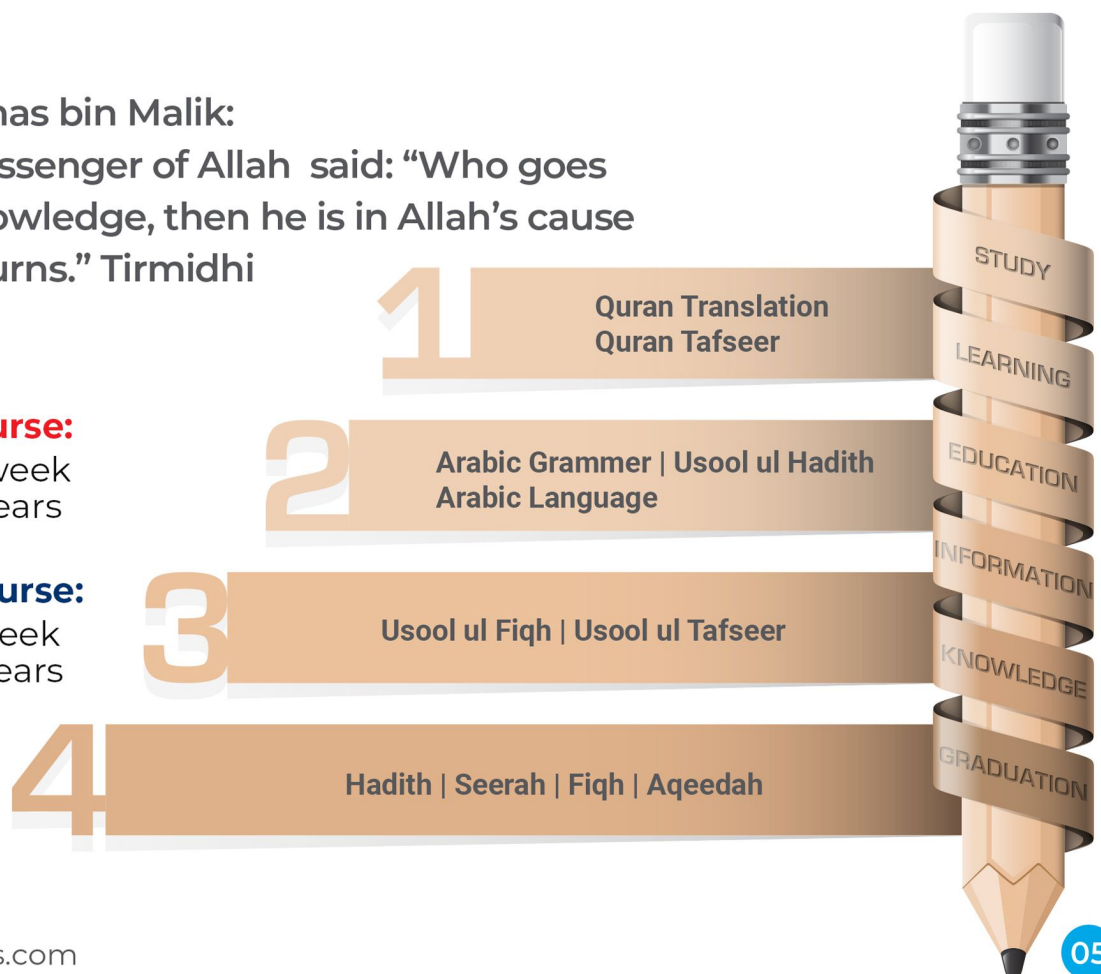

Narrated Anas bin Malik:
that the Messenger of Allah said: “Who goes seeking knowledge, then he is in Allah’s cause until he returns.” Tirmidhi

Full Time Course:

15 hours per week
Duration : 3 Years

Part Time Course:

6 hours per week
Duration : 6 Years

Short Courses

Begin your journey into the world of knowledge with our comprehensive structured series of short courses designed to provide the essential understanding to develop and increase one's Imaan. These short courses provide a real boost and allow a person to better understand oneself, the environment we live in and most importantly the rest of creation we interact with on a daily basis, be it, the spouse, work colleagues, business partners, the family parents and children.

Unfortunately, due to the lack of practical understanding and training in these areas many people fall short in life and very often end up pursuing the wrong objectives, which subsequently has an overall impact on lives.

Our short courses are easily accessible and very interactive, they have been carefully created and delivered by our qualified tutors, who have years of academic, business and professional experience. No matter, where life has taken you, why not refresh and fine tune your understanding further or if you are searching for peace, solace and tranquility contact us to redirect you towards the real purpose in life and help get life back on track.

Community Events

Our students enjoy a range of activities alongside their academic progression. We tend to offer a very broad and diverse curriculum, which include community events, initiatives and a range of fundraising and charitable activity workshops.

Students participate in a range of extra-curricular activities which are organised by the students themselves throughout the year. In addition to sporting and community events, we also reward students for all their hardwork and determination attained throughout the year by an end of year academic graduation ceremony which enables both parents and students to get a true feel of the level of progress students have made over the academic year. Students receive end of year graduation trophies and prizes for their endeavours.

Over the last several years, hundreds of students have benefitted from the various courses offered from the UKAIS. Graduates have successfully gone onto teach within their localities and impart the valuable knowledge to budding students or have progressed onto further or higher education.

Our forward thinking students are always looking for innovative ways to help local charities and organisations to develop and build sustainable projects, mainly around helping the needy and destitute in society.

We are always on the lookout for volunteers and new talent, if you would like to help participate in any of our projects then feel free to contact us.

Narrated by Anas bin Malik:

The Prophet ﷺ said: "Facilitate things to people (concerning religious matters), and do not make it hard for them and give them good tidings and do not make them run away (from Islam)."

University Study

We have a structured curriculum, which enables our students a clear path to progress onto further studies. With our partner institutions, students are able complete 3 years of study and progress onto degree and higher level courses in a range of subjects.

Purification of the Body, Mind and Heart

Embarking on a Tazkiyah (spiritual purification) course can offer profound benefits for an individual's personal, spiritual, and social life. Here are some compelling reasons to embark on this journey.

SPIRITUAL GROWTH AND CLOSENESS TO ALLAH

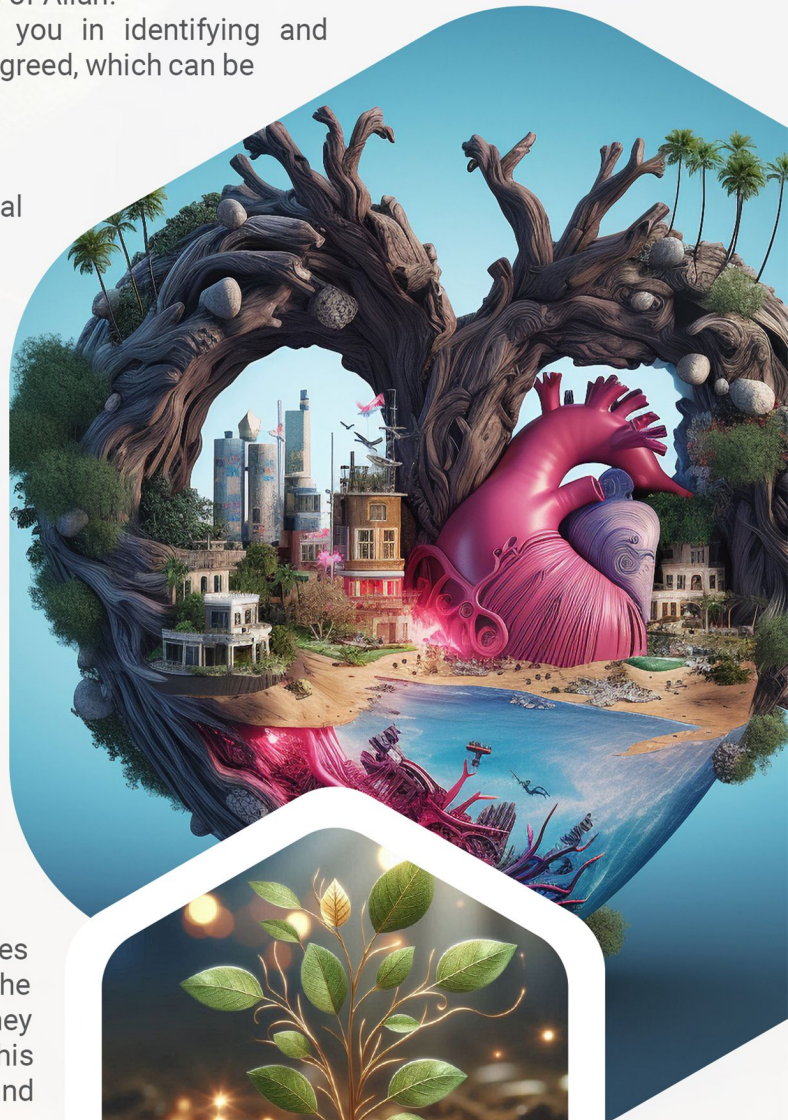

- **Deepen Your Relationship with Allah:** Tazkiyah helps you purify your body, mind and soul, which is central to developing a closer connection with Allah. By cleansing your heart from spiritual diseases, you can experience greater sincerity in worship and a deeper sense of spiritual fulfillment.
- **Enhance Your Iman (Faith):** Through regular spiritual practices and reflection, our Tazkiyah course can strengthen your faith, making it more resilient in the face of life's challenges.
- **Cultivate Good Character:** Tazkiyah emphasizes the development of good morals and character traits, such as patience, humility, honesty, and compassion. These qualities not only improve your relationship with others but also elevate your standing in the eyes of Allah.
- **Overcome Negative Traits:** This course guides you in identifying and overcoming negative traits like pride, anger, envy, and greed, which can be detrimental to both your spiritual and personal life.

INNER PEACE AND CONTENTMENT

- **Achieve Inner Tranquility:** By focusing on spiritual purification, Tazkiyah helps you find inner peace and contentment, regardless of external circumstances. This inner tranquility is rooted in reliance on Allah and contentment with His decrees.
- **Reduce Anxiety and Stress:** Regular spiritual practices and self-reflection can help reduce anxiety and stress by encouraging a mindset of trust in Allah's wisdom and timing.
- **Improved Relationships with Others**
- **Enhance Social Interactions:** Tazkiyah teaches you to be more mindful and considerate in your interactions with others, promoting empathy, forgiveness, and kindness. This can lead to healthier and more fulfilling relationships.
- **Promote Community Well-Being:** A person committed to Tazkiyah contributes positively to their community by embodying and promoting values that enhance social harmony and mutual respect.

Increased Self-Awareness

- **Understand Your Nafs (Self):** Tazkiyah encourages deep self-reflection, helping you understand the different aspects of your nafs (self) and how they influence your thoughts, emotions, and actions. This self-awareness is crucial for personal growth and spiritual development.
- **Align Actions with Intentions:** By purifying your intentions, Tazkiyah ensures that your actions are genuinely for the sake of Allah, leading to a more purposeful and meaningful life.

Purification of the Body, Mind and Heart

FULFILLMENT OF RELIGIOUS OBLIGATIONS

- **Obey Divine Commandments:** Tazkiyah is not just recommended but essential in Islam. It's a way to fulfill the Qur'anic command to purify the soul, as emphasized in verses like Surah Ash-Shams (91:9-10), where success is promised to those who purify their souls.
- **Embody the Sunnah:** The course often involves learning and embodying the teachings of the Prophet Muhammad (peace be upon him) regarding spiritual purification and good character, leading to a life that closely follows the Prophetic model.

PREPARATION FOR THE HEREAFTER

- **Focus on the Akhirah (Hereafter):** Tazkiyah helps shift your focus from the temporary pleasures of this world to the eternal success of the Hereafter. By purifying your soul, you prepare yourself for a better standing on the Day of Judgment.
- **Increase Reward and Barakah:** Engaging in spiritual purification increases the rewards in this life and the next. It invites barakah (blessings) into your life, making your efforts more fruitful and your heart more content.

RESILIENCE AGAINST WORLDLY TEMPTATIONS

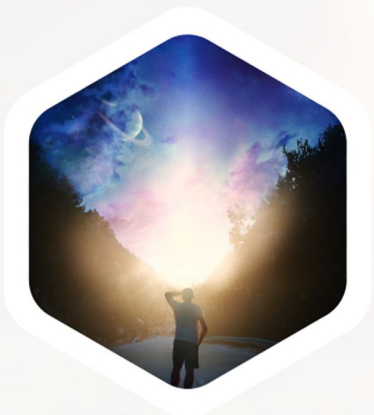

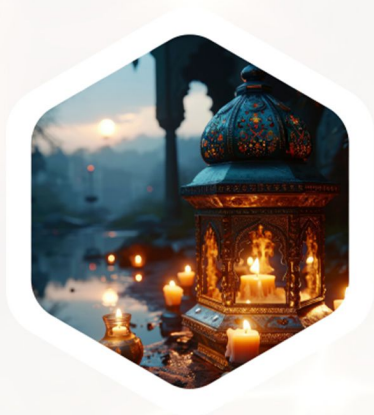

- **Strengthen Willpower:** Tazkiyah builds spiritual resilience, enabling you to resist worldly temptations and distractions. This helps you stay focused on your spiritual goals and maintain a path of righteousness.
- **Avoid Sinful Behavior:** The course teaches you to be vigilant against sins, both major and minor, guiding you to live a life that is pleasing to Allah.

CONTRIBUTION TO A JUST AND MORAL SOCIETY

- **Promote Ethical Standards:** By embodying the teachings of Tazkiyah, you become a beacon of moral and ethical standards in society, inspiring others to lead virtuous lives.
- **Encourage Social Justice:** Spiritual purification fosters a sense of responsibility towards others, encouraging you to stand up for justice and fairness in your community.

HOLISTIC WELL-BEING

- **Balance Body, Mind, and Soul:** Tazkiyah addresses the needs of the whole person, fostering a balanced approach to life that nurtures physical, mental, and spiritual health.
 - **Live a Purposeful Life:** By aligning your life with the teachings of Islam and focusing on spiritual growth, you live a life filled with purpose, direction, and divine guidance.
- Studying and embarking on a Tazkiyah course offers a comprehensive approach to spiritual, personal, and social well-being, helping you lead a life that is pleasing to Allah and beneficial to yourself and those around you creating inner peace and outer peace. One's mission should then be to spread this beautiful message of peace to the whole world.

Abu Huraira reported: The Messenger of Allah ﷺ peace and blessings be upon him, said: Whoever calls others to guidance will have a reward similar to those who follow him, without detracting from their reward at all. Whoever calls people to misguidance will have the burden of sin similar to those who follow him, without detracting from their burden at all. Sahih Muslim
